

The site which you should see,
when you feel something
unusual in your daily life.

Crime
prevention

Bullying at school or in the company can possibly be a gang stalker crime. if you feel something is wrong not only your daily life but also at work, school, etc., please suspect a gang stalker.

Attitude toward you of
the people in the company
and at school suddenly
changed.

Everyone makes the
same gestures you only.

People unknown to you
know you.

Every time you move around
in the company or at school,
you feel somebody always move
around after you.

You are told you are
mental ill.

An easily isolated seat
is given to you at school
or in the company.

Often get injured at
school or outside.

Get disturbed when going
on to school or getting
job.

There are numerous type of other damages.

That

may be a **Gang Stalking!**
