

TARGETED UK

In the shadows of UK society, exists an unseen evil. A program known as the Targeted Individual Program which has one goal, the destruction of every aspect of a humans life! This hideous targeting program is designed so as the authorities cannot be held accountable by using private security companies consisting of ex-military & police personnel. The program is designed to be invisible to the un-trained eye & is run with military precision, so much so it leaves the victim with nowhere to turn! The goal of the targeting program is to drive the victim insane or worse get them to commit suicide leaving no one accountable! This indeed is one of the greatest crimes against humanity this world has ever seen!!

Slander campaigns are run against the chosen victim leaving them isolated & alone with no one to help!

- 24/7 NOISE CAMPAIGNS

Our goal is simple, we want to spread awareness that this crime exists, in support of families who have lost a loved one to this horrific program and before more innocent people's lives are lost or destroyed. If you know someone who is going through this or if you would like to learn more, please visit these websites at the bottom..

these are just a few examples of what the chosen victim faces on a daily basis. If the victim reports the targeting to the police they will either be ignored or given a misdiagnosis of a mental health illness!

THIS IS DOMESTIC TERRORISM & A CRIME AGAINST HUMANITY AND MUST BE EXPOSED BEFORE MORE INNOCENT LIVES ARE LOST OR DESTROYED!
